Below are examples of how the various control structures are depicted in a flowchart:

**Sequence**

1. A
2. B

   do A
   do B

**Selection (Decision)**

1. C
2. D
3. E

   If C is true then do E
   Else do D

**Loop (Repetition)**

1. F
2. G

   While F is true do G

   Yes

   No
